

SAVE THE DATE

Greetings MOCARH Members and Friends,

Now that 2020 is behind us, we at MOCARH are planning to get back to business in 2021. This year will be a bit different than in the past but we are looking forward to being able to engage with our partners to host an *in person training* conference in September. Please mark your calendars for our **MOCARH Annual Conference** in Branson, Missouri on **Tuesday and Wednesday, September 14th and 15th 2021.**

We will present training for *LIHTC, RD, HOME, HUD, and blended properties*. We will also provide *Fair Housing Training*. Speakers will be from various organizations and we hope to have state agency representatives for both LIHTC and RD. We hope to provide virtual training, if possible, for anyone unable to attend in person.

We look forward to seeing everyone in the fall so please check our website for registrations details in the near future. Thank you to all of our supporters as we navigate through this challenging endeavor.

MISSOURI COUNCIL FOR AFFORDABLE RENTAL HOUSING

Andrea Winter

President
